# Output:

The screenshot displays a web browser window with a single tab titled "Registration Form". The address bar shows the file path "C:/Users/Admin/Desktop/index.html". The page content features a registration form with the following fields and controls:

- Registration Form** (Section Header)
- Username:** A text input field containing the text "Ashwin".
- Enter Email:** A text input field.
- Enter Mobile:** A text input field.
- Enter City:** A text input field.
- Enter State:** A text input field.
- Select a Country:** A dropdown menu.
- Gender:** Two radio button options labeled "Male" and "Female".
- Enter password:** A text input field.
- Re-Enter password:** A text input field.

The Windows taskbar is visible at the bottom of the screen, showing the search bar, task view button, and several application icons. The system clock indicates the time is 12:28.
